University for Peace established by the United Nations

Belgrade/Boston, March 6, 2015

Dear,

The European Center for Peace and Development UN University for Peace, as an international educational and research institution, The Northeastern University, College of Engineering, The International Journal of Nanomedicine and, Department of Biomedical Engineering, Faculty of Mechanical Engineering the University of Belgrade, have the honor to **invite you** to take part on the **3rd International Translational Nanomedicine (ITN) Conference**, to be held in **Milocer (Hotel Maestral), Montenegro, on 21-26 June 2015**.

The Conference will bring together numerous participants - prominent scientists, and high-ranking academic and business officials and students of international, regional and national institutions and universities from Europe, USA, Canada, Japan, Australia, India and China. It will be opened by introductory speeches by **Prof. Thomas Webster**, Chair of the Department of Chemical Engineering and Editor of the International Journal of Nanomedicine and **Prof. Djuro Koruga**, Head, Department of Biomedical Engineering and Nanomedicine, ECPD/University of Belgrade. Keynote speeches on academia/industry collaboration and opportunities of startup companies in nanomedicine will be delivered by **Aamir Butt**, Director of the Nanomedicine Business Accelerator programme by Accelerace A/S from Denmark.

This year's Conference will focus on the all major topics, which are listed in attachment. The Conference is expected to give some new solutions in the field of NanoBiomedical Engineering and Nanomedicine and from which appropriate conclusions and recommendations will be adopted and widely distributed at the Universities and presented to Ministers of Health, and Ministers of Science and Technological Development.

We would highly appreciate if you accepted our invitation and prepared presentations on one of the topics within the Conference program and send us the proposed title. Please, inform your colleges about conference.

Looking forward to hearing from you, please accept our best wishes in New Year and our warm regards.

Sincerely yours,

**CONFERENCE
