Dear Prof. Jakovljevic,

Thank you for your email dated September 21, 2017 along with the program for the Cardiovascular Meeting dedicated to the 40th Anniversary of the Faculty of Medical Sciences, University of Kragujevac. It is indeed an excellent scientific program on New Insights in Cardiovascular Research and I am confident that it will be a great success and appropriate tribute to your Faculty.

As I told to you earlier that due to previous commitment, I shall be unable to participate in your meeting and thus I regret to miss it. Nonetheless, the Academy is honoured to associate itself with your meeting and thus you can print its logo in your program to indicate its Sponsorship. Please also express my personal congratulation to your University Authorities on this special occasion of the 40th Anniversary of the Faculty of Medical Sciences. I do have fond memories of my visit to your institution.

With very best regards,

Naranjan S. Dhalla, PhD, MD (Hon), DSc (Hon)
